

2nd International Workshop of the Center for the Assessment of Physical Activity (CAPA)

On the topic of

Physical Activity Assessment – State of the Science, Best Practices, Future Directions

What? Two-day workshop with talks of international experts, poster presentations and expert working groups

When? Thursday and Friday, July 11th and 12th, 2019

Where? Institute of Sports and Sports Science (IfSS), Karlsruhe Institute of Technology (KIT), Karlsruhe, Germany

Who? Researchers in the field of physical activity. Especially assessment, evaluation, technology and application

*Be part of a writing group for a special issue on this topic to appear in *Psychology of Sports and Exercise (PSE)*.*

2nd International Workshop of the Center for the Assessment of Physical Activity (CAPA)

State of the Science Day 1 – July Thursday 11th

09:00 – 09:30	Registration and coffee	
09:30 – 10:00	Opening ceremony - Prof. Dr. Alexander Woll; Karlsruhe Institute of Technology Presentation CAPA and Welcome	
10:00 – 12:00	Keynote - Activity Questionnaires & Accelerometry Prof. Dr. Sonia Lippke; Jacobs University Bremen "Assessing physical activity through questionnaires and interviews - State of the Science" Prof. Dr. Charles Matthews, U.S. National Cancer Institute "Physical Activity, Sedentary Behavior and Health: Unraveling Associations with Better Measurements"	
12:00 – 13:30	Poster session and lunch break Current Activity Questionnaires and Accelerometry Research	
13:30 – 15:30	Keynote - Ambulatory & Physiological Assessment Dr. Yue Liao; University of Texas "Leveraging wearable sensors in physical activity research: From real-time assessment to intervention" Prof. Dr. Achim Bub; Karlsruhe Institute of Technology "The DLW method for assessing total energy expenditure in humans – basics and practical considerations"	
15:30 – 16:30	Poster session and coffee break Current Ambulatory Assessment Research	
17:00 – 22:00	IfSS Summer Party	

Best Practice Workshop Day 2 – July Friday 12th

10:00 – 10:30	Explanation Workshop		
10:30 – 13:00	Workshop 1 Questionnaires 	Workshop 2 Accelerometer 	Workshop 3 Ambulatory Assessment 
	Including lunch break		
13:00 – 13:45	Shareouts with Results from the Workshops		
13:45 – 14:00	movisens current technical developments		
14:00 – 14:30	Future directions keynote – Prof. Dr. Claudio Nigg; University of Hawaii "Logic or Intuition? Assessing PA and SB in the Future"		
14.30 – 15:00	Closing ceremony Review of the 2 nd CAPA Workshop Further process draft and farewell
