Health condition and eligibility to participate
Participants who have symptoms of a respiratory infection, elevated temperature, or have had contact with a person infected with SARS-CoV-2 are prohibited from entering the athletic facility and are not permitted to participate in the University Athletic Course.

Hygiene and distance rules
- It is mandatory to wear a FFP2 mask in the buildings until the place for sports is reached.
- When entering the sports facilities, hands must be disinfected at the disinfection stations provided.
- Physical greeting rituals and high-fives are to be refrained from.
- Whenever possible, the minimum distance of 1.5 m is to be observed.
- Bring your own towels and your own beverage bottles.
- Training equipment should be carefully cleaned or disinfected after each use.
- Adequate and regular ventilation must be ensured.

Use of sports facilities and courses
- Documentation obligation: Only registered and authorized persons are allowed to access the sports facilities and participate in the course operation or use the sports offer. For individual appointments (such as walk-in courses or public swimming) a binding online registration is also required (all information can be found on the respective page of the offer on our homepage).
- Participation in the course is only permitted with a valid student/employee ID and valid confirmation of registration (the course instructor will check this).
- Corona Participation Restriction: Depending on the warning level, either the 3G, 2G or 2G+ rule applies to participation in the university sports program. Proof must be shown to the instructor prior to each class session without being asked. The rules apply equally to course instructors. In any case, the level-dependent regulations must be observed (see table).
- The 3G/2G/2G+ regulation also applies to the use of the locker rooms and showers. (random checks are carried out). The maximum user capacity must be observed. The use of the toilets is possible without proof, here the mask obligation applies.
- The sports facility is to be left immediately and in a direct way after the end of the booked time slot or the booked course. The stay in locker rooms and showers and in the foyer is to be reduced to a minimum.
